PROFILE

As a proactive professional with a Bachelor's in Computer Applications (BCA) and a current pursuit of an MBA in International Business, I bring a comprehensive skill set to the field of digital marketing. My academic background in BCA has honed my technical prowess, providing me with a solid understanding of software systems, programming languages, and data analytics – essential assets in today's digital marketing landscape. Additionally, my MBA studies have deepened my knowledge of international business practices, enabling me to comprehend the nuances of global markets and devise targeted strategies to engage diverse audiences.
