Main Road, Chromepet,
Chennai - 600044, Tamil Nadu

SYNOPSIS

To seek for new frontier that challenges my professional and intellectual abilities, consistently striving for excellence and growth.

TECHNICAL SKILLS

RPA Tools:

- UiPath
- Power Automate Cloud
- Power Automate Desktop

Programming Languages:

- VBA macros
- Python
- JQuery(Basics)
- HTML(Basics)
- SQL(Basics)

CERTIFICATIONS

- RPA Developer Advanced certified by UiPath Academy
- RPA Developer Foundation certified by UiPath Academy
- RPA Business Analyst Foundation certified by UiPath Academy

EDUCATION

Puducherry Technological University

B.Tech – Computer Science and Engineering
2018-2022

WORK SUMMARY

- Having overall 2 years of IT experience in Robotic Process Automation(RPA) using tools such as UiPath and Power Automate.
- Experienced in building RPA solution using Uipath, Power Automate Cloud and Desktop.
- Hands on experience using RE-FRAMEWORK in UiPath.
- Implemented end to end automation solution as per requirements, which involves analysis, designing, development, testing and deployment.
- Hands on experience on UiPath Orchestrator for deployment, monitoring and management of bots in Production.
- Hands on experience on deploying processes to Production using ALM Pipeline in Power automate.
- Good problem-solving abilities and creative thinking .
- Hands on experience in PDF Automation using AI builder.
- Worked on UiPath Document Understanding(DU) for Timesheet processing(POC).

PROFESSIONAL EXPERIENCE

RPA Developer

Jeevan Technologies India Pvt Ltd., Chennai | 2022 - Present

Primary Responsibilities

- Support existing processes in UiPath and Power Automate production and implement new change requests when requested.
- Developed and implemented automation solutions using UiPath and Power Automate.
- Involved in solution designs for automation processes.
- Involved in code reviews for UiPath, Power Automate Cloud and Desktop.
- Migrate existing UiPath processes to Microsoft Power Automate.
- Involved in Unit Testing and User Acceptance Testing.

EXPERTISE

- RE-Framework
- Solution Design
- ALM Pipeline
- AI Hub
- Problem Solving
- Decision Making

LANGUAGE

- English - Proficient
- Tamil - Native

Processes Handled

1. **FSS Order Management:** Bot will fetch all the unread emails from shared mailbox and filter mails that has Order Acknowledgement PDF in attachment and compare the values in the PDF with Purchase order PDF. If the values didn't match it will notify the users, else it will merge the PDF files and upload to SharePoint.
2. **Payment Remittance:** Initially bot should download a report from Orbit application. This report contains the Payment Batch details, using which the bot will run a report in Oracle application. Once the report has ran in Oracle, it will extract few details from Oracle and then it will download a PDF for that report and upload to SharePoint. Then, It will extract Vendor Name and Payment Number from PDF and collate all the extracted details and send mail to stake holders.
3. **AP Reconciliation:** Bot will download 3 reports - Invoice Aging, Unvalidated Transactions and General Ledger from Oracle using stored procedures(Back-end automation). Then it will fetch 2 files - AP Trial Balance and Detailed Trial Balance from SharePoint. Once all the reports are available bot will perform Excel Manipulations using VBA macros and create output files and upload to SharePoint.
4. **ConcurFF_Expense_Accrual_Report:** Initially bot will run reports in Oracle application transaction by transaction. Later bot will download one report from OAC and one report from Concur and perform excel manipulations using VBA macro and create output files and upload to SharePoint.

Key Achievements

- Created custom library in UiPath for SharePoint.
- Recreated RE-Framework in Power Automate.
- Created reusable framework for Oracle Application, which is used as part of processes involving Oracle application.
- Received 2 Monthly R&R.
- Received year end R&R for CY-2023.

DECLARATION

I declare that the above-mentioned details are true to the best of my knowledge.
