EDUCATION :

Kalinga Institute of Industrial Technology, Bhubaneswar   Expected Graduation: July 2024

Bachelor of Technology in Computer Science and Engineering   CGPA: 9.05/10

PROFESSIONAL EXPERIENCE :

Celebal Teachnologies | **Frontend React developer** May 2023 - July 2023

● Implemented secure authentication mechanisms for user login and logout functionalities.

● Developed custom form validation logic to ensure the integrity and security of user data.

● Integrated various APIs to fetch and manipulate data, ensuring seamless communication between the front-end and back-end services.

● Implemented forms authentication, validation, API integrations, and state management using React.js, Redux, Tailwind CSS, and JavaScript.

PROJECTS :

WakeN'Bite : food ordering application GitHub

● Developed Wake & Bite, a food ordering web application powered by the Swiggy public API, enabling real-time menu and order updates.

● Implemented key functionalities including add to cart, clear cart, and dynamic routing to enhance user experience and navigation.

● Utilized Redux for efficient state management, ensuring seamless and consistent user interactions across the application.

NetflixGPT : Netflix + ChatGPT GitHub

● Developed NetflixGpt, a web app that leverages ChatGPT for personalized movie suggestions, utilizing the TMDB dataset for comprehensive movie information.

● Implemented Firebase for backend services, enabling secure authentication and efficient data storage, alongside React for a dynamic and responsive frontend.

● Built functionalities including ChatGPT-based movie recommendations, Redux for robust state management, and dynamic routing for seamless navigation.

OTHER SKILLS :

● **Languages:** Python, C/C++, SQL, JavaScript
● **Domain:** Web Development, Machine Learning
● **Libraries:** scikit-learn, pandas, NumPy, Matplotlib, React, Redux
● **Others:** Node.js, Tailwind CSS

AWARDS AND ACHIEVEMENTS :

● Solved over 1500 problems with a streak of 366 consecutive days on CodeForces and LeetCode.
● Achieved a score of 95/100 in CBSE Mathematics.
● Achieved a maximum rating of 1831 on LeetCode and 1192 on Codeforces.
● Secured CodeChef 3 star Rating global with rank 20k.
● Secured Leetcode highest rank 400 in biweekly contest 92.
● Secured Merit Scholarship at KIIT for 8 semesters.
